

CORE Innovation Hub

## Pilbara 2024 Innovation Zone

Showcase your business at one of Australia's  
best regional mining conferences

CORE INNOVATION HUB

## **We build ecosystems and innovation infrastructure for the resources and energy sector.**

CORE is Australia's first innovation hub for the resources sector. An established national ecosystem for suppliers, researchers, entrepreneurs and industry to connect and collaborate on innovative solutions across mining, resources, energy, defence and space sectors.

# Pilbara 2024

Pilbara 2024 is the biggest and most exciting industry event in the region and will be looking at the economic growth, investment, development and diverse and dynamic industry.

This opportunity is an easy entryway to get your brand in front of key energy decision makers that matter, enhance your brand awareness and generate high value leads.
